UM SPRING QUARTER HONOR ROLL HITS RECORD HIGH

MISSOULA--

A record 1,345 students have been listed on the 1973 University of Montana spring quarter honor roll, according to figures released by UM Registrar Emma B. Lommasson.

The total, 17.2 per cent of the 7,835 net enrollment spring quarter, is the largest number of students ever contained in a UM honor roll listing.

Of the 1,345 listed, 359 or 27 per cent achieved straight-A's for the quarter.

The honor roll is computed on a 4.0 or straight-A basis. To be eligible, a student must have either a minimum of 54 grade points with an index of 3.0 or B, or a minimum of 42 grade points with an index of 3.5 or B-plus. No student is eligible for the honor roll if he received an 'F' grade for the quarter.

The list of UM honor roll students was prepared by Lommasson's office and the UM Computer Center.

(Editor's note: Due to budget limitations, news personnel may receive only a portion of the entire list of 1,345 names. If you desire a more complete listing, please notify the office of Information Services, Main Hall 302, University of Montana, Missoula, Mont. 59801.)
